News Release

USfalcon Opens Office in Colorado Springs

Morrisville, NC – **USfalcon Inc** announces that it is opening its newest office in Colorado Springs, Colorado with a ribbon cutting ceremony on February 3rd 2009 at 3:00pm. The office is located at 1325 Aeroplaza Drive, Suite 100 in Colorado Springs.

The **USfalcon** Aerospace & Joint Operations headquarters will occupy the new offices, and has already begun business activities from the new office space.

“We are very pleased to join the Colorado Springs business community”, stated CEO and Chairman, Pete von Jess, “and look forward to serving our Defense Department customers providing the **USfalcon** Values-based, Vision-driven performance that has led to our success across other business units.”

USfalcon provides integrated technology solutions worldwide to Department of Defense clients in the areas of C4ISR Operations, Engineering, Program Management, Information Technology, Logistics and Training.
