USfalcon Inc. Gains National Recognition

Morrisville, NC – In recognition of the economic power of multicultural businesses, DiversityBusiness.com, the nations' leading multicultural internet site, recently named **USfalcon Inc.** as one of the Top Businesses in the United States.

USfalcon was named as one of the “Top 100 8(a) businesses in the United States”; “Top 100 Hispanic American owned businesses in the United States”; “Top 500 diversity-owned businesses in the United States”; “Top 500 Small businesses in the United States”; “Top 100 diversity-owned businesses in the state of North Carolina”; and “Top 100 Small businesses in the state of North Carolina”.

This is the 8th annual listing of the nation's top small and diversity owned businesses. The companies listed represent the Nation's top multicultural earners and challenge the long-held notion that a small business is small or insignificant. These companies are sought after by major corporations wishing to increase spending with small and diversity owned companies.

The Impact of Diversity Business

“Small businesses and consumers are a growing force in the U.S. economy, and a force to be reckoned with,” said Kenton Clarke, CEO of Computer Consulting Associates International, the company that built DiversityBusiness.com. This is a whole business segment that can carry its own, that provides jobs, products and services, and generates wealth for their communities. These are the new leaders in American business.”

Affected by recent economic and demographic trends and changes, Fortune 1000 corporations throughout the country have recognized that buying products and services from small and diversity owned companies positively impacts their business. Small businesses contribute over \$1.4 trillion in sales to the U.S. economy.

USfalcon will be honored at a special awards ceremony at the “8th Annual Multicultural Business Conference”, taking place April 23 - 25, 2008 at Disney's Board Walk Resort in Orlando, Florida.
