USfalcon Honored with Fast50 Award for the Third Year in a Row

Morrisville, N.C. – **USfalcon Inc** was recognized as one of the fastest growing private companies in the Triangle at *Triangle Business Journal's* annual Fast 50 Awards ceremony on November 6, 2008.

The Morrisville-based **USfalcon** ranked 9th on the list of 50, up from the 20th ranking held in 2007. The rankings were determined by PricewaterhouseCoopers LLP, who evaluated locally headquartered private companies based on a formula that takes into account both dollar growth and percentage rate of growth over a three-year period. To be considered companies were required to have had at least \$3 million in revenue in 2007. This is the third year in a row that **USfalcon** has been honored.

“Following our Corporate Values and Ethos, our employees are making a direct impact on the phenomenal growth of **USfalcon**, but more importantly, they are contributing to the success of our Customers,” says Pete von Jess, CEO.

“Each of the Fast 50 companies has contributed a great deal to the Triangle community,” says Charlene Grunwaldt, *Triangle Business Journal* publisher. “They are dynamic businesses representing diverse industries. The stories of their successes are very compelling.”

USfalcon and the other 49 winning companies are profiled in an in-depth special Fast 50 Awards section in *Triangle Business Journal's* November 7 edition.
