USfalcon, Inc.

January 1st, 2006

Mill City Connections, Inc. (MCCI) proudly announces its name has been changed to **USfalcon, Inc.** effective January 1st, 2006.

The name change does not affect any other organic or ownership changes, it is merely to further brand the company which was organized in 1999, according to its President, Mr. Peter von Jess. "The name change is part of the company's strategy to brand **USfalcon** as the common name, and uncomplicates the ownership's desire to transition to a services minded company since January 2003. The ownership and DNA of this firm is unchanged," said von Jess.

USfalcon is a professional engineering services, logistics services, security and intelligence, and information technology solutions provider. A service-disabled veteran owned, HUBZone certified, 8(a) small disadvantaged business, offering business and technical solutions to their clients; **USfalcon** has offices in Massachusetts, New Jersey, North Carolina, Tennessee, Georgia, Alabama and Arizona. They are a proud member of the U.S. Government's defense industrial base. For more information, visit them on the web at www.usfalcon.com.
